

# Kāwai Raupapa (Ngā Mahi ā te Whare Pora) **NZ Certificate in Ngā Toi** Level 4

Become part of a rich tradition of cultural expression and explore the techniques, history and tikanga associated with weaving.

This programme offers students the opportunity to start specialising in a particular area of weaving. Depending on your location you may have the option of mahi raranga, whatu, tāniko, tukutuku or working with different fibres.

You'll learn various toi (art) techniques and practices through a number of project-based tasks. These projects will teach you the creative processes involved to complete your work and the planning skills to manage your time.

If you've always wanted to learn how to weave, this programme is a great place to start.
